

ALASKA BOUNDARY TROUBLE.

Miners Talk of Fighting to Keep Gold Fields From England.

SEATTLE, October 20.—The citizens of Alaska are greatly exercised over the boundary line question and propose to take steps in the matter without delay. They do not want to see what they term the richest portion of the United States annexed to British Columbia and say that they will fight before they will see it taken.

Much dissatisfaction is expressed at Juneau and other camps over the dilatory action of the Government in this most important matter. The news was brought to the city by the steamer City of Topeka, which arrived in port this morning, nearly two days overdue, caused by the large amount of freight.

The paramount reason of renewed activity in the boundary line question is the brilliant outlook for the mining properties along the Yukon and in the vicinity of Juneau. Prospectors are excited over the news of rich finds. Every one is happy and unite in saying that Alaska is the richest country on the face of the globe, and for this reason they desire to arouse sentiment on the boundary line question.

The officers of the steamer say that it is not uncommon to hear the expression, "Give us ten leagues, or we will fight." They argued that England knows full well the vast richness of the country and will leave no stone unturned to accomplish her desire. The steamer stopped at Yes Bay, where she took on 3000 cases of salmon and forty passengers, employees of the cannery belonging to the Boston Trading and Fishing Company. Everything is closed up for the winter and the salmon taken on board finished the shipments.

A stop was made at Sanford cove for twenty-five tons of ore and \$3000 worth of bullion belonging to the Bald Eagle Mining Company, of which N. S. Trowbridge is one of the principal owners and manager. This is the result of the first season's work and the ore and bullion is expected to net the owners about \$50,000. At Metlakatla 7200 cases of salmon were taken on and at Killis 400 barrels of oil and 4000 cases of herring.

Among the passengers was Peter Wyberg, who owns one of the finest properties on the Yukon. He has in his possession ore to the value of \$15,000, some of the pieces being so thickly studded with gold that it was almost impossible to see any rock. This is Wyberg's third trip out of the Yukon with a large amount of ore. He took the Waila Waila at Port Townsend for San Francisco. J. P. Corbus, vice-president and secretary of the Treadwell mine, was also a passenger on the steamer. The steamer also brought down news of a number of rich finds in Sheep creek and other localities.

Kalakaua Bust.

The bronze bust of the late King Kalakaua, cast in England off the plaster model executed by Allen Hutchinson, sculptor, of Honolulu, is at the office of M. P. Robinson, treasurer of the Kalakaua Monument Association. It awaits the further action of that body. The bust is a fine piece of art and very lifelike.

RACES FOR NEW YEAR'S.

Several Events Now Assured and Liberal Prizes to be Offered.

Arrangements are far enough advanced for a series of races at Kapiolani Park on New Year's Day to make the announcement quite safe. The track has been hired for the day by the promoters, and several horses are already being worked for the contests. Liberal prizes will be given, the amounts to be announced in due time.

There will be a 2:40 trotting and pacing race, free for all; also, a three-minute class for Hawaiian-bred; a half mile and repeat, and a three-quarter mile dash, which if not filled will be turned into a novelty race, so much money at each quarter. Two bicycle races are also down. Entries will close two weeks before the races.

Seattle Beer is a mild and refreshing drink. It will create flesh and generally improve the system. On draught at Criterion.

Burning Pain

Erysipelas in Face and Eyes
Inflammation Subdued and Tortures Ended by Hood's.

"I am so glad to be relieved of my tortures that I am willing to tell the benefits I have derived from Hood's Sarsaparilla. In April and May, I was afflicted with erysipelas in my face and eyes, which spread to my throat and neck. I tried divers ointments and alteratives, but there was no permanent abatement of the burning, torturing pain, peculiar to this complaint. I began to take Hood's Sarsaparilla and

Felt Marked Relief before I had finished the first bottle. I continued to improve until, when I had taken four

bottles, I was completely cured, and felt that all signs, marks and symptoms of that dire complaint had forever vanished." Mrs. E. E. OTTAWA, Hillsboro, Wisconsin.

"He was discharged. A few days later, the owner died without insurance on his life, leaving a widow and three young children in poverty, because he had NEGLECTED to insure. As procrastination is more culpable than forgetfulness perhaps the owner is having his punishment NOW."

DESCRIPTION AND TERMS:

CREOLE is the gamest, fastest and best bred stallion that has ever been imported into the Hawaiian Islands. He reduced his record of 2:20 to 2:15 in Petaluma, Cal., August 24, 1894, distancing his whole field in the first heat; then again to 2:15 in stockton, Cal., September 23, 1894, winning the first heat in 2:15, fourth heat in 2:15, and fifth heat in 2:19, proving that he is a remarkably game as well as a speedy race horse. ("Creole" by Prompter out of Grace by Buccaneer show that he is capable of getting a mark of 2:10 and is one of the gamest stallions seen this year, and besides being game, is one of the best formed, and remarkably intelligent. "Breeder and Sportsman", Sept. 25, 1894.) He is 15 1/2 hands high and of powerful build throughout. His color is glossy black with one white hind foot. His disposition is all that could be desired, and his action superb. He is a sure foal getter.
